```
Sol

  Sol
all the time
Fa7+            Do        Sol
people follow us where we go
 Sol             Fa7+       Do            Sol
we both should believe the path that we chose
Fa7+         Do             Do/Si     Lam
and I'll hold you with such delicacy
Fa7+           Sol           Do
No they won't catch you and me

 Fa
it's all over all of the time
 Lam
and if you want to I won't mind
 Fa
please don't leave it
 Do           Lam
i don't know what to do
Fa                   Sol      Do
No they won't catch me and you

Sol
there are too
Fa7+            Do        Sol
many flashes and guards around me
Sol             Fa7+            Do         Sol
there is too little time and places to see
Fa7+        Do     Do/Si      Lam
and we can wait so patiently
Fa7+           Sol           Do
Cause they won't catch you and me
 Fa
it's all over all of the time
 Lam
and if you want to I won't mind
 Fa
please don't leave it
 Do           Lam
i don't know what to do
Fa                   Sol       Do
No they won't catch me and you
 Do                    Lam
all of these people want us to fail
Fa7+   Sol             Do
I won't let that happen no
Do
just you believe me
Lam
I'll hide you discreetly
Fa7+           Sol          Do
discreetly from this cold world

Fa
it's all over all of the time
Lam
if you want to , I won't mind
Fa
please don't leave it
Do       Lam
I don't know what to do
Fa                   Sol          Do
Cause they won't catch me and you
