Jake Bugg - Seen it all

```
Mim Do Sol Sol/Fa# x2

Mim            Do            Sol            Re
One Friday night I took a pill or maybe two
Mim               Do            Sol         Re
Down at the car park I saw everyone I knew
Mim                           Do
And before the night had started
          Sol                 Re
we had planned to crash a party
        Mim                 Do
Just a place that someone knew
            Sol            Re                  Mim
a local house belonging to a gangsters crew

Do Sol Re

Mim          Do                 Sol              Re
And at the door they shone a light into my face
Mim        Do               Sol             Re
Have to admit I felt a little out of place
       Mim            Do           Sol              Re
But I made my way inside past a thousand crazy eyes
       Mim              Do              Sol               Re
Then a friend took me aside said everyone here has a knife

          Do
I've seen it all
                  Sol     Re
I've seen it all now
             Do
I swear to god I've seen it all
            Sol          Re
Nothing shocks me anymore after tonight

Mim Do Sol Re

Mim            Do                 Sol                  Re
Those little doves had sent my mind and heart a-beating
Mim          Do                 Sol             Re
To say I felt weird really doesn't need repeating
          Mim                  Do           Sol            Re
I could sense the mounting tension the atmosphere of violence
              Mim               Do               Sol                   Re
And then they took a guy out side and someone stabbed him with a knife

         Do
I've seen it all
                  Sol   Re
I've seen it all now
              Do
I swear to god I've seen it all nothing
    Sol           Re             Mim
shocks me anymore after tonight

Do Sol Re
Mim Do Sol Re

           Do  Sol Mim
I've seen it all
Re            Do    Lam  Sol
I've seen it all now
Re           Mim               Do
I swear to god I've seen it all nothing

      Sol            Re              Mim
shocks me anymore after tonight
                Mim
I've seen the light
             Sol
But not the kind I would have liked...
