

Kate Bush - Wild man

Lam Sol Fa
Lam Sol Fa
Fa Do Re
Lam Sol Fa
Lam Sol Fa
Fa Do Re
Lam Sol Fa

(They call you an animal
The Kanchenjunga Demon
Wild man
Metoh, Kangmi)

Do Re
Re Mim
Lying in my tent
Re Do
I can hear your cry
Re Mim
Echoing 'round the mountainside
You sound lonely

Mi Re
While crossing the Lhakpa La
Do Sim
Something jumped down from the rocks
Mi Re
In the remote Garo Hills by Dipu Marak
Do Sim
We found footprints in the snow

Lam Sol Fa
Lam Sol Fa
Fa Do Re
Lam Sol Fa
Lam Sol Fa
Fa Do Re
Lam Sol Fa
Lam Sol Fa

(The schoolmaster of Darjeeling said
We saw you by the Tengboche monastery
You were playing in the snow
You were banging on the doors
You climbed up on the roof
Roof of the world
You were pulling up the rhododendrons
Loping down the mountains)

Do Re
Do Mim
They want to know you
Re Do
They will hunt you down
Re Mim Re
Then they will kill you
Do Re
Run away, run away
Run away
Mi Re
While crossing the Lhakpa La
Do Sim
Something jumped down from the rocks
Mi Re
In the remote Garo Hills by Dipu Marak
Do Sim
We found footprints in the snow
