Sim Re
You can see there's something in the way
Sol Mim Fa#m
I've tried to show you, my door is open
Sim Re
I don't know how much more I can take
Sol Mim Fa#m
Since you've chosen, to leave me frozen
Sim Re
Am I the only one, who sees what you've become?
Sol Mim Fa#m
Will you drift away?
Sim Re
We're running out of time, two wrongs can make it right
Sol Mim Fa#m
Could I make you stay?
Sol Re Sim Fa#m
People making choices they can't fake
Mim Fa#m Sol
Sacrifice it all and maybe say
Sol Re Sim La
Something extraordinary something real (real)
Sol Re
To fill my days and nights with something
Sim La
That I can feel (I can feel)
Sol Fa#m Sol Fa#
I'm not gonna compromise surely you can sympathise?
Mim Fa#m Sol La7 Re
Say you feel the same
Sim Re
You've wandered down a path I can't explain
Sol Mim Fa#m
Have you seen her? The grass is greener
Sim Re
To let me pass you by would be a shame
Sol Mim Fa#m
If she's your only then why're you lonely?
Sim Re
Cause I'm the only one, who know the things you've done
Sol Mim Fa#m
I'm so good for you
Sim Re
We're running out of time, two wrongs can make it right
Sol Mim Fa#m
Could I make you do
Sol Re Sim La
Something extraordinary something real (real)
Sol Re
To fill my days and nights with something
