Accidentaly in love- Counting Crows

```
Sol Do Sol Re
Sol Do Mim La Do

Sol                       Do
So she said whats the problem baby
Sol                       Do
Whats the problem I don't know
                  Mim
Well maybe I'm in love (love)
                La
Think about it everytime I think about it
Do
Cant stop thinking bout it

Sol                       Do
How much longer will it take to cure this
Sol                       Do                      Mim
Just to cure it cause I cant ignore it if its love (love)
                La                              Re
Makes me wanna turn around and face me but I don't know
             Do
Nothing bout love ... Ahhhh

Sol            Lam
Come on, come on
Do                 Re
Turn a little faster
Sol             Lam
Come on, come on
    Do                 Re
The world will follow after
Sol            Lam
Come on, come on
Do                 Re     Mim La Do
Cause everybody's after love

Sol            Do
So I said I'm a snowball running
Sol                       Do                            Mim
Running down into the spring thats coming all this love
               La                       Do
Melting under blue skies belting out sunlight
           Sol
shimmering love
          Do                  Sol
Well baby I surrender to the strawberry ice cream
Do                          Mim
never ever end of all this love
       La
Well i didnt mean to do it
            Re                Do
But theres no escaping your love .... ahhhhh

Mim            Do
These line of lightning mean we're
Sol            Lam
never alone, never alone no no

Sol            Lam
Come on, come on
Do             Re
Move a little closer
Sol             Lam
Come on, come on
```

By TestoeAccordi.it

```
    Do              Re
I want to hear you whisper
Sol             Lam
Come on, come on
Do            Re          Mim     Re
Settle down inside my love .... Ahhhh
Sol             Lam
Come on, come on
Do              Re
Jump a little higher
Sol             Lam
Come on, come on
      Do              Re
If you feel a little lighter
Sol             Lam
Come on, come on
   Do              Re        Mim  La Do
We were once upon a time in love

                    Sol    Do
We're accidentally in love
                    Mim    Re
We're accidentally in love     (x4)Accidentally
Sol                  Do
I'm in love, I'm in love
                    Mim
I'm in love, I'm in love
                     Re
I'm in love, I'm in love Accidentally   (x2)
Sol             Lam
Come on, come on
Do              Re
Spin a little tighter
Sol             Lam
Come on, come on
               Do              Re
And the world's a little brighter
Sol             Lam
Come on, come on
     Do               Re         Mim    Re             Sol
Just get yourself inside her love.....I'm in love
```
