For saving the world from Solomon Grundy
Sol                Do              Sol                Do

Another man like him

 Hey Bob, Supe had a straight job
Do     Sol                     Do                    Sol
 Even though he could have smashed through any bank

 Folks said his family were all dead
Do       Sol            Do            Sol
 Planet crumbled but Superman, he forced himself
   Mim    Re      Mim      Re             Lam      Re
To carry on, forget Krypton, and keep going

Do               Re

    Sol          Lam7   Sol/Si  Do
For saving the world from Solomon Grundy
Sol                Do              Sol                Do
  And sometimes I despair the world will never see

Another man like him

Mim  Re       Mim          Re          Do                  Sol  Re
 Tarzan was king of the jungle and Lord over all the a -apes
Mim   Re        Mim     Re              Do     Sol       Do     Sol        Re
 But he could hardly string together four words: "I Tarzan, You  Jane."

Do    Sol          Do        Sol
 Sometimes when Supe was stopping crimes
Do     Sol               Do               Sol                  Mim
 I'll bet that he was tempted to just quit and turn his back
   Re    Mim      Re          Lam     Re
On man, join Tarzan in the forest

Do    Sol  Do             Sol     Do        Sol
 But he stayed in the city,  kept on changing clothes
   Do         Sol                     Mim       Re
In dirty old phonebooths till his work was through
    Mim         Re         Lam        Re
