

Angels like you - Miley Cyrus

Capotasto al I tasto

Fa Do Solm Sib
Mmm, mmm, mmm
Fa Do Solm
Flowers in hand, waiting for me
Sib Fa
Every word in poetry
Do Solm
Won't call me by name, only baby
Sib
The more that you give the less that I

Rem Do Sib
need. Everyone says I look happy
Sibm
When it feels right

Fa Do
I know that you're wrong for me
Solm Sib
Gonna wish we never met on the day I leave
Fa Do
I brought you down to your knees
Solm Sib
'Cause they say that misery loves company
Fa Do
It's not your fault I ruin everything
Solm Sib
And it's not your fault I can't be what you need
Rem Do Sib
Baby, angels like you can't fly down here with me
Sibm Fa Do
I'm everything they said I would be
Solm
(La La la)
Sib Fa
I'm everything they said I would be

Do Solm
I'll put you down slow, love you goodbye
Sib Fa
Before you let go, just one more time
Do Solm
Take off your clothes, pretend that it's fine
Sib
A little more hurt won't kill you

Rem Do Sib
tonight. Mama says you don't look happy
Sibm
Close your eyes

Fa Do
I know that you're wrong for me
Solm Sib
Gonna wish we never met on the day I leave
Fa Do
I brought you down to your knees
Solm Sib
'Cause they say that misery loves company
Fa Do
It's not your fault I ruin everything

Solm Sib
And it's not your fault I can't be what you need
Rem Do Sib
Baby, angels like you can't fly down here with me
Sibm Fa
I'm everything they said I would be

Do
La, la, la, la
Solm Sib
La, la, la
Fa Do
La, la, la
Solm
Oh, ah, ah
Sib Fa Do Solm Sib
Ah, oh ah, oh

Fa Do
I know that you're wrong for me
Solm Sib
Gonna wish we never met on the day I leave
Fa Do
I brought you down to your knees
Solm Sib
'Cause they say that misery loves company
Fa Do
It's not your fault I ruin everything (Everything)
Solm Sib
And it's not your fault I can't be what you need
Rem Do Sib
Baby, angels like you can't fly down here me, oh

Rem Do Sib
Angels like you can't fly down here with me
