

My heart will go on - Celine Dion

Fa Do Sib Do

Fa Do
Every night in my dreams
Sib Do
I see you, I feel you,
Fa Do Sib Do
That is how I know you go on
Fa Do
Far across the distance
Sib Do
And spaces between us
Fa Do Sib Do
You have come to show you go on

Rem Do Sib Do
Near, far, wherever you are
Rem Do Sib Do
I believe that the heart does go on
Rem Do Sib Do
Once more you open the door
Rem Do
And you're here in my heart
Sib Do Fa
And my heart will go on and on

Fa Do
Love can touch us one time
C D
And last for a lifetime
Fa Do C D
And never let go till we're one
Fa Do
Love was when I loved you
C D
One true time I hold to
Fa Do C D
In my life we'll always go on

Rem Do Sib Do
Near, far, wherever you are
Rem Do Sib Do
I believe that the heart does go on
Rem Do Sib Do
Once more you open the door
Rem Do
And you're here in my heart
Sib Do Fa
And my heart will go on and on

Rem Do Sib Do
You're here, there's nothing I fear,
Rem Do Sib Do
And I know that my heart will go on
Rem Do Sib Do
We'll stay forever this way
Rem Do
You are safe in my heart
Sib Do Fa
And my heart will go on and on
