Celin Dion - All by myself

```
La
When I was young
        Rem/La    La    Sol6
I never needed anyone
           Fa#7              Sim
And making love was just for fun
Rem             La/Do#   Rem Mi7
 Those days are gone
La
Living alone
           Rem/La                 La    Sol6
I think of all the friends I've known
           Fa#7          Sim
But when I dial the telephone
Rem       La/Do#    Fa#7   Si7 Mi7
 Nobody's home

La         Do#m7
 All by myself
              Sol6
Don't wanna be
    Fa#7 Sim
All by myself
Rem     Mi7
Anymore

La
Hard to be sure
          Rem/La         La    Sol6
Sometimes I feel so insecure
             Fa#7          Sim
And loves so distant and obscure
Rem          La/Do#   Fa#7   Si7 Mi7
 Remains the cure

La        Do#m7
 All by myself
              Sol6
Don't wanna be
    Fa#7 Sim
All by myself
   Rem/Fa Mi7 La
Anymore
         Do#m7

                Sol6
Don't wanna live
     Fa#7 Sim
All by myself
