# *Celin Dion - I'm alive*

```
Mib        Dom
Mmmmm ... Mmmmm ...
       Lab
I get wings to fly
Sib              Mib
Oh, oh ... I'm alive ... Yeah

          Mib
When you call on me
        Dom
When I hear you breathe
       Lab
I get wings to fly
  Sib             Mib
I feel that I'm alive
          Dom
When you look at me
       Lab
I can touch the sky
  Sib             Mib    Dom   Lab9   Sib
I know that I'm alive

          Mib
When you bless the day
        Dom7
I just drift away
        Lab9
All my worries die
    Sib             Mib
I'm glad that I'm alive

        Dom7
You've set my heart on fire
                Lab
Filled me with love
           Sib                Mib
Made me a woman on clouds above
  Dom7
I couldn't get much higher
                  Lab9
My spirit takes flight
              Sib
'Cause I am alive

          Mib
When you call on me

(When you call on me)
        Dom7
When I hear you breathe

(When I hear you breathe)
       Lab9
I get wings to fly
        Sib        Mib
I feel that I'm alive

(I am alive)
          Dom7
When you reach for me

(When you reach for me)
         Lab9
Raising spirits high
```

```
    Mib   Sib     Fam
God knows that...
                  Fam7
That I'll be the one
         Dom                          Sib
Standing by through good and through trying times
Reb               Fam
 And it's only begun
        Mib                      Sib
I can't wait for the rest of my life

         Fa
When you call on me

(When you call on me)
         Rem7
When you reach for me

(When you reach for me)
      Sib9
I get wings to fly
  Do
I feel that...
         Fa
When you bless the day

(When you bless, you bless the day)
       Rem7
I just drift away

(I just drift away)
       Sib9
All my worries die
  Do             Rem
I know that I'm alive
      Sib9
I get wings to fly
    Do              Fa
God knows that I'm alive
