Celin Dion - Immortality

```
Re9

   La/Do#  Sim7  Re9
So this is who I am
    La       Sim
And this is all I know
                     Mim7
And I must choose to live

For all that I can give

The spark that makes the power grow
    Re9           La       Sol   Fa#m
And I will stand for my dream if I can
Sol          Re       Mim   Sim
Symbol of my faith in who I am
               Mim    Mim7
But you are my only
           Re            La         Sol    Fa#m
And I must follow on the road, that lies ahead
    Sol            Re       Mim      Sim
And I won't let my heart control my head
                Mim   Mim7
But you are my only
                  Re      La
And we don't say goodbye
           Sim       Mi7
We don't say goodbye
                     Mim7
And I know what I've got to be

Re  Mim Fa#m   Mim
 Immor--tali--ty
Re         Mim              Fa#m  Mim
 I make my journey through eternity
Re          Mim       Fa#m     Mim
 I keep the memory of you and me

Inside

La/Do#       Sol/Si Re
Fulfill your desti--ny
   La          Sim
Is there within the child
                    Mim
My storm will never end

My fate is on the wind
            Sol
The king of hearts, the joker's wild
             Re      La
We don't say goodbye
            Sim      Mi7
We don't say goodbye
                     Mim7
I'll make them all remember me
       Re             La         Sol       Fa#m
'Cause I have found a dream that must come true
Sol            Re      Mim     Sim
Every ounce of me must see it through
                Mim   Mim7
But you are my only
          Re             La       Sol      Fa#m
I'm sorry I don't have a role for love to play
```

```
Sol           Re          Mim       Sim
Hand over my heart I'll find my way
              Mim              Mim7
I will make them give to me

Re  Mim Fa#m   Mim
 Immor--tali--ty
Re           Mim           Fa#m      Mim
 There is a vision and a fire in me
Re           Mim        Fa#m      Mim
 I keep the memory of you and me, inside
                  Re       La
And we don't say goodbye
             Sim       Mi
We don't say goodbye
                      Mim
With all my love for you

And what else we may do...
                   Re       La/Do# Sol/Si Re
We don't say, goodbye
```
