Celin Dion - That's the way it is

```
Mi La  Do#m Si

Mi La  Do#m Si  Fa#m7   La Si Mi

      Do#m                 La
I can read your mind and I know your story
  Do#m                   La       Si
I see what you're going through, yeah
     Do#m                     La
It's an uphill climb, and I'm feeling sorry
      Do#m         Si/Re#  Mi
But I know it will come to you, yeah
         Fa#m7         La      Si
Don't surrender 'cause you can win
        Fa#m7         La9   Si
In this thing called love

         Mi           La              Do#m     Si
When you want it the most there's no easy way out
            Mi       La          Do#m            Si
When you're ready to go and your heart's left in doubt
           Mi         La
Don't give up on your faith
 Do#m         Si          Fa#m7
Love comes to those who believe it
    La         Si      Mi
And that's the way it is

         Do#m              La
When you question me for a simple answer
Do#m                  La    Si
I don't know what to say, no
         Do#m                 La
But it's plain to see, if you stick together
Do#m         Si/Re#  Mi
You're gonna find a way, yeah
            Fa#m7         La      Si
So don't surrender 'cause you can win
        Fa#m7         La9   Si
In this thing called love

         Mi           La              Do#m     Si
When you want it the most there's no easy way out
            Mi       La          Do#m            Si
When you're ready to go and your heart's left in doubt
           Mi         La
Don't give up on your faith
 Do#m         Si          Fa#m7
Love comes to those who believe it
    La         Si      Mi
And that's the way it is
           La      Do#m  Si  Fa#m7   La Si
That's the way it is

             MIm        Re
When life is empty with no tomorrow
    Do                   Sol   Re/Fa#
And loneliness starts to call
            MIm       Do#m7/5-
Baby, don't worry, forget your sorrow
       Do                      Re4 Re Mi
'Cause love's gonna conquer it all,   all

         La          Re              Fa#m     Mi
When you want it the most there's no easy way out
