Be the one – Dua Lipa

```
Fa   Mib7+

          Fa
I see the moon, I see the moon, I see the moon
                                 Mib6  Mib7+
Oh, when you're looking at the sun
      Fa
Not a fool, I'm not a fool, not a fool
                          Mib6  Mib7+
No you're not fooling anyone
                    Fa
Oh, but when you're gone

When you're gone, when you're gone
                  Mib7+
Oh baby, all the lights go out
Solm7                           Fa
Thinking, oh that, baby, I was wrong

I was wrong, I was wrong
                                Mib7+
Come back to me, baby, we can work this out

Fa
Oh baby, come on, let me get to know you

Just another chance so that I can show
        Mib7+
That I won't let you down and run

No, I won't let you down and run
Solm7                   Fa
 Cause I could be the one
               Mib7+
I could be the one
               Fa
I could be the one
               Mib
I could be the one
         Fa
I see in blue, I see in blue, I see in blue
                                 Mib6  Mib7+
Oh, when you see everything in red
         Solm7                          Fa
There is nothing that I wouldn't do for you

Do for you, do for you
Solm7                        Mib6  Mib7+
Oh, cause you got inside my head
                    Fa
Oh, but when you're gone

When you're gone, when you're gone
                  Mib7+
Oh baby, all the lights go out
Solm7                           Fa
Thinking, oh that, baby, I was wrong

I was wrong, I was wrong
                                Mib
Come back to me, baby, we can work this out
Fa
Oh baby, come on, let me get to know you

Just another chance so that I can show
