Dance the night – Dua Lipa

```
Sim7   Mi7   Re6

Sim7   Mi7

Re6           Sim
Baby, you can find me under the lights
Mi7
Diamonds under my eyes
Sim
Turn the rhythm up, don't you wanna just
Mi7
Come along for the ride?
Sim
Pull my outfits up tight
        Mi7
You can see my heartbeat tonight
Sim
I can take the heat, baby, best believe
Mi7
That's the moment I shine
       Sim
'Cause every romance shakes and it bends
Mi7
Don't give a damn
Sim
When the night's here, I don't do tears
Mi7
Baby, no chance
Sol     La             Sim            Mi
I could dance, I could dance, I could dance

        Sim  Mi7    Re6              Sol7+
Watch me dan---ce,  dance the night away
Sim               Mi7
My heart could be burning
              Re6          Sol7+
but you won't see it on my face
        Sim  Mi7  Re6              Sol7+
Watch me dan--ce, dance the night away (ah-huh)
Sim                 Mi7
I'll still keep the party running,
    Re6             Sol7+
not one hair out of place

                 Sim
Lately I've been moving close to the edge
Mi7
Still be looking my best
Sim
I stay on the beat, you can count on me
Mi7
I ain't missing no steps
       Sim
'Cause every romance shakes and it bends
Mi7
Don't give a damn
Sim
When the night's here, I don't do tears
Mi7
Baby, no chance
Sol     La             Sim            Mi
I could dance, I could dance, I could dance

        Sim  Mi7    Re6              Sol7+
Watch me dan---ce,  dance the night away
