Fa#m  Re  Sim  Do#m7  Fa#m  Re  Sim  Do#m7

Fa#m     Re                    Sim         Mi
 I never thought that I would find a way out
Fa#m     Re                   Sim          Mi
 I never thought I'd hear my heartbeat so loud
Fa#m       Re                      Sim
 I can't believe there's something left
      Mi        Fa#m
in my chest anymore
       Re        Sim       Mi     Fa#m
But goddamn, you got me in love again
          Re               Sim         Mi
I used to think that I was made out of stone
Fa#m       Re            Sim          Mi
 I used to spend so many nights on my own
Fa#m      Re           Sim       Mi       Fa#m
 I never knew I had it in me to dance anymore
       Re        Sim       Mi     Fa#m
But goddamn, you got me in love again

     Re               Sim         Mi   Fa#m
Show me that heaven's right here, baby
      Re            Sim     Mi
Touch me, so I know I'm not crazy
Fa#m         Re           Sim       Mi
Never have I ever met somebody like you
Fa#m        Re
Used to be afraid of love
    Sim           Mi
and what it might do
Fa#m    Re        Sim              Fa#m  Re
 But goddamn, you got me in love again
    Sim       Mi     Fa#m  Re
You got me in love again

You got me in love again

You got me in love again
  Sim  Mi
Again

Fa#m     Re                    Sim         Mi
 So many nights, my tears fell harder than rain
Fa#m            Re             Sim          Mi
 Scared I would take my broken heart to the grave
Fa#m        Re               Sim
 I'd rather die than have to live
      Mi           Fa#m
in a storm like before
       Re        Sim       Mi     Fa#m
But goddamn, you got me in love again

     Re               Sim         Mi   Fa#m
Show me that heaven's right here, baby
      Re            Sim     Mi
Touch me, so I know I'm not crazy
Fa#m         Re           Sim       Mi
Never have I ever met somebody like you
Fa#m        Re
Used to be afraid of love
    Sim           Mi
and what it might do
