Physical – Dua Lipa

```
Lam   Fa   Lam   Fa

Do   Sol   Lam   Fa

Do   Sol

Lam
Common love isn't for us
Fa
We created something phenomenal
           Do
Don't you agree?
           Sol
Don't you agree?
Lam
You got me feeling diamond rich
Fa
Nothing on this planet compares to it
           Do
Don't you agree?
           Sol
Don't you agree?

Who needs to go to sleep, when I got you next to me?

Lam
 All night I'll riot with you
  Fa
I know you got my back and you know I got you
        Do                Sol
So come on, come on, come on
                  Lam
Let's get physical

Lights out and follow the noise
Fa
Baby keep on dancing like you ain't got a choice
        Do                Sol
So come on, come on, come on

Let's get physical

 Lam
Adrenaline keeps on rushing in
Fa
Love the simulation we're dreaming in
           Do
Don't you agree?
           Sol
Don't you agree?
Lam                            Fa
 I don't wanna live another life
                         Do
'Cause this one's pretty nice

Living it up
Sol
Who needs to go to sleep, when I got you next to me?

Lam
 All night I'll riot with you
  Fa
I know you got my back and you know I got you
        Do                Sol
So come on, come on, come on
```

```
                    Lam
Let's get physical

Lights out and follow the noise
Fa
Baby keep on dancing like you ain't got a choice
        Do                Sol
So come on, come on, come on

Let's get physical

Lam
 Hold on just a little tighter
      Fa
Come on

Hold on, tell me if you're ready
      Do
Come on
             Sol
Baby keep on dancing
                    Lam
Let's get physical

Hold on just a little tighter
      Fa
Come on

Hold on, tell me if you're ready
      Do
Come on
             Sol
Baby keep on dancing

Let's get physical

Lam
 All night I'll riot with you

I know you got my back and you know I got you

So come on, come on, come on
                    Lam
Let's get physical

Lights out and follow the noise
Fa
Baby keep on dancing like you ain't got a choice
         Do                 Sol
So come on, come on, come on
                    Lam
Let's get physical
                    Fa
Let's get physical
         Do
Physical
                    Sol
Let's get physical

Come on, physical
```
