Training season – Dua Lipa

```
Fam        Do

Fam                                  Do
Are you someone that I can give my heart to?
                                Fam
Or just the poison that I'm drawn to?
                               Do
It can be hard to tell the difference late at night
Fam                                    Do
Play fair, is that a compass in your nature?

Or are you tricky?
             Fam
'Cause I've been there
                              Do
And baby, I don't need to learn my lesson twice
Fam  Do  Fam         Do           Sibm7
          But if you really wanna go there
Do7
You should know I

  Fam
I need someone to hold me close,

deeper than I've ever known
      Dom
Whose love feels like a rodeo,
                                Fam
knows just how to take control

When I'm vulnerable,

he's straight-talking to my soul
 Dom                    Do                     Fam
Conversation overload, got me feeling vertigo
                             Do
Are you somebody who can go there?
                                 Fam
'Cause I don't wanna have to show ya
                                   Do
If that ain't you, then let me know, yeah
                            Fam  Do  Fam  Do  Sibm7/9
'Cause training season's over...
                     Do
(training season's over)

Fam                               Do
I tried to see my lovers in a good light
                             Fam
Don't wanna do it just to be nice
                                  Do
Don't wanna have to teach you how to love me right
Fam                          Do
I hope it hits me like an arrow
                      Fam
Someone with some potential
                    Do
Is it too much to ask for, who understands?

  Fam
I need someone to hold me close,

deeper than I've ever known
      Dom
Whose love feels like a rodeo,
