

Notorious - Duran Duran

```
Rem7
No-no-notorious
Rem7
No-no-notorious
```

Rem7
I can't read about it
Rem7
Burns the skin from your eyes
Rem7
I'll do fine without it
Rem7
Here's one you don't compromise
Sol
Lies come hard to disguise
Sol La
Let me to fight it out, not wild about it
Rem7
Lay your seedy judgments
Rem7
Who says they're part of our lives?

```

La              La7
You own the money
Sol              Sol7
You control the witness
La              La7
I hear you're lonely
Sol              Sol7
Don't monkey with the business
La              La7              Sol              Sol7
You pay the profits to justify your reasons
La              La7              Sol
I heard your promise but I don't believe it
Sol7              Rem7
That's why I'll do it again

```

Rem7
No-no-notorious

Rem7
Girls will keep the secrets
Rem7
So long as boys make the noise
Rem7
Fools run rings to break up
Rem7
Something they'll never destroy
Sol
Grand notorious slam (bam!)
Sol La
And who really gives a damn for a flaky bandit?
Rem7
Don't ask me to bleed about it
Rem7
I need this blood to survive

La La7
You own the money
Sol Sol7
You control the witness
La La7
I hear you're lonely

Sol Sol7
 Don't monkey with the business
 La La7 Sol Sol7
 You pay the profits to justify your reasons
 La La7 Sol
 I heard your promise but I don't believe it
