

Afterglow - Ed Sheeran

Si5
Stop the clocks, it's amazing
Mi
You should see the way the light dances off your head
Fa#4 Sol#m Mi
A million colours of hazel, golden and red
Si5
Saturday morning is fading
Mi
The sun's reflected by the coffee in your hand
Fa#4 Sol#m Mi
My eyes are caught in your gaze all over again

Mi
We were love drunk, waiting on a miracle
Si5 Fa#4
Tryna to find ourselves in the winter snow
Mi Si5 Fa#4
So alone in love like the world had disappeared
Mi
Oh, I won't be silent and I won't let go
Si5 Fa#4
I will hold on tighter 'til the afterglow
Mi
And we'll burn so bright 'til
Si5 Fa#4
the darkness softly clears
Mi Si5 Fa#4
Oh, I will hold on to the afterglow
Mi Si5
Oh, I will hold on to the afterglow

Si5
The weather outside's changing
Mi
The leaves are buried under six inches of white
Fa#4 Sol#m Mi
The radio is playing, Iron & Wine
Si5
This is a new dimension
Mi
This is a level where we're losing track of time
Fa#4 Sol#m
I'm holding nothing against it
Mi
except you and I

Mi
We were love drunk, waiting on a miracle
Si5 Fa#4
Trying to find ourselves in the winter snow
Mi Si5 Fa#4
So alone in love like the world had disappeared
Mi
Oh, I won't be silent and I won't let go
Si5 Fa#4
I will hold on tighter 'til the afterglow
Mi
And we'll burn so bright 'til
Si5 Fa#4
the darkness softly clears
Mi Si5 Fa#4
Oh, I will hold on to the afterglow
Mi Si5 Fa#4
Oh, I will hold on to the afterglow
Mi N.C.
Oh, I will hold on to the afterglow
