

Photograph - Ed Sheeran

Capo al II tasto

Re Sim La Sol Re Sim

Re Sim
Loving can hurt loving can hurt sometimes
La Sol
But it's the only thing that I know
Re Sim
When it gets hard you know it can get hard sometimes
La Sol
It is the only thing that makes us feel alive
Sim Sol Re La
We keep this love in a photograph we make these memories for ourselves
Sim
Where our eyes are never closing
Sol Re La
Our hearts were never broken and times forever frozen still

Re
So you can keep me inside the pocket of your
La
Ripped jeans holding me closer till our
Sim Sol Re
Eyes meet, you won't ever be alone wait for me to come home
Re Sim
Loving can heal loving can mend your soul
La Sol
And it's the only thing that I know
Re Sim
I swear it will get easier remember that with every piece of ya
La Sol
It is the only thing we take with us when we die

Sim Sol Re La
We keep this love in a photograph we make these memories for ourselves
Sim
Where our eyes are never closing
Sol Re La
Our hearts were never broken and times forever frozen still
Re
So you can keep me inside the pocket of your
La
Ripped jeans holding me closer till our
Sim Sol
Eyes meet, you won't ever be alone
Re
And if you hurt me that's ok baby, we'll be
La
Words deep inside these pages you just
Sim Sol
Hold me and I won't ever let you go

Sim Sol
Wait for me to come home Wait for me to come home
Re La
Wait for me to come home Wait for me to come home

Re
Oh you can fit me inside the necklace you got when you were
ALa
16 next to your heartbeat where I
Sim Sol
Should be, keep it deep within your soul
Re
And if you hurt me that's ok baby only
La
words bleed inside these pages you just
Sim Sol
Hold me and I won't ever let you go
Re
When I'm away I will remember how you
La Sim
Kissed me under the lamp post back on sixth street
Sol La
Hearing you whisper through the phone wait for me to come home
