Capotasto al II tasto

Sim Mim La Si 2v

Sim Mim
The club isn't the best place to find a lover
Sol La
So the bar is where I go
Sim Mim
Me and my friends at the table doing shots
Sol La
Drinking faster and then we talk slow
Sim Mim
Come over and start up a conversation with just me
Sol La
And trust me I'll give it a chance now
Sim Mim
Took my hand, stop, prepare "The man" on the jukebox
Sol La
And then we start to dance, and now I'm singing like

Sim Mim
Girl, you know I want your love
Sol La Sim
Your love was handmade for somebody like me
Mim
Come on now, follow my lead
Sol La
I may be crazy, don't mind me, say
Sim Mim
Boy, let's not talk too much
Sol La Sim
Grab on my waist and put that body on me
Mim
Come on now, follow my lead
Sol
Come—come on now, follow my lead

Sim Mim Sol
I'm in love with the shape of you
La Sim
We push and pull like a magnet do
Mim Sol
Although my heart is falling too
La
I'm in love with your body
Sim Mim Sol
And last night you were in my room
La Sim
And now my bedsheets smell like you
Mim La
Every day discovering something brand new
La
Well I'm in love with your body
Sim Mim Sol La
I'm in love with your body
Sim Mim Sol La

Sim Mim
One week in we let the story begin
Sol La
We're going out on our first date
Sim Mim
But you and me are thrifty so go all you can eat
Sol La
Fill up your bag and I fill up a plate
Sim Mim
We talk for hours and hours about the sweet and the sour
Sol La
And how your family is doin' okay
Sim Mim
And leave and get in a taxi, we kiss in the backseat
Sol La
Tell the driver make the radio play
and I'm singing like

Sim Mim Sol
 I'm in love with the shape of you
 La Sim
 We push and pull like a magnet do
 Mim Sol
 Although my heart is falling too
