I never kissed a mouth that taste like yours

Like my soul's on fire
La
I wanna stay up all day and all night, mm
Yeah, you got me singing like

Sim
Ooh, I love when you do it like that
Sol
And when you're close up, you give me the shivers
Re
Oh baby you wanna dance 'til the sunlight cracks
La
And when they say the party's over then
we'll bring it right back

Sim
And we'll say ooh I love it when you do it like that

Into the car, on the back seat in the moon lit dark
Re
Wrap me up between your legs and arms
La
Ooh, I can't get enough

Put me back together and take my heart
