

Thinking out loud - Ed Sheeran

Re (Fa#m) Sol La Re
When your legs don't work like they used to before
(Fa#m) Sol La Re
And I can't sweep you off of your feet
Re (Fa#m) Sol La Re
Will your mouth still remember the taste of my love
Re (Fa#m) Sol La
Will your eyes still smile from your cheeks
Re Sol La Re Sol La
And darling I will be loving you till we're 17
Re Sol La Re Sol
And baby my heart could still fall as hard at 23
La
I'm thinking 'bout how

Mim La Re
people fall in love in mysterious ways
Mim La
Maybe it's all part of a plan
Mim La Sim
Or me I fall in love with you every single day
Mim La
And I just wanna tell you right now
Re Sol
so honey now
La Re Sol
Take me into your loving arms
La Re Sol
Kiss me under the light of a thousand stars
La Re
Place your head on my beating heart
Sol La
And I'm thinking out loud
Sim La Sol Re Mim Re
That maybe we found love right where we are

Re (Fa#m) Sol La Re
When my hair's overgone and my memory fades
(Fa#m) Sol La Re
And the crowds don't remember my name
Re (Fa#m) Sol La Re
When my hands don't play the strings the same way
Re (Fa#m) Sol La
I know you will still love me the same
Re Sol La Re Sol La
Cause honey your soul can never grow old, It's ever green
Re Sol La Re Sol
And baby your smile's forever in my mind in memory
La
I'm thinking 'bout how
Mim La Re
people fall in love in mysterious ways
Mim La
Maybe just the touch of a hand
Mim La Sim
Or I continue making the same mistakes
Mim La Re Sol
Hoping that you'll understand That baby now
La Re Sol
Take me into your loving arms
La Re Sol
Kiss me under the light of a thousand stars
La Re
Place your head on my beating heart
Sol La
And I'm thinking out loud
Sim La Sol Re Mim Re
That maybe we found love right where we are

Re Sol La 4v

Re Sol
So baby now

La Re Sol
Take me into your loving arms

La Re Sol
Kiss me under the light of a thousand stars oh darling

La Re
Place your head on my beating heart

Sol La
And I'm thinking out loud

Sim La Sol Re Mim Re
That maybe we found love right where we are

Sim La Sol Re Mim Re
That maybe we found love right where we are

Sim La Sol Re Mim Re
And we found love right where we are
