Much Love - Editors

```
Lam

N.C.        Lam
  Why is it cold in here?
Why is it cold?
People like chandeliers
And fingers of gold

Re/Fa#        Sol         Lam
  Watch the birds fly home
Re/Fa#                  Lam   Re/Fa#
  Watch the birds fly home

                  Lam
'Cause you don't mess with
        Re
So much love
                  Lam
'Cause you don't mess with
        Re
So much love

Lam

N.C.           Lam
  I'm drinking atmospheres
To swallow the world
You made my mind get clear
The solace returned

Re/Fa#        Sol         Lam
  Watch the birds fly home
Re/Fa#                  Lam          Re
  Watch the birds fly home, oh-oh-oh

                  Lam
'Cause you don't mess with
        Re
So much love
                  Lam
'Cause you don't mess with
   Re
So much love

                  Lam                                Rem
Just jump in the light, I don't know where you are
                  Lam                                Rem
Just jump in the light, I don't know where you are
                  Lam                                Rem
Just jump in the light, I don't know where you are
                  Lam
Just jump in the light

Lam

         Lam
It's the hardest part
You're the hardest part
It's the hardest part
You're the hardest part

N.C.               Lam
  'Cause you don't mess with

                  Lam
'Cause you don't mess with
   Re
So much love
                  Lam
'Cause you don't mess with
        Re
So much love
                  Lam
'Cause you don't mess with
   Re
So much love

                  Lam                              Rem
Just jump in the light, I don't know where you are
                  Lam                              Rem
Just jump in the light, I don't know where you are
                  Lam                            Rem
Just jump in the light, I'll know where you are
               Lam   Re
We jump in the light
```
