Si                          Lam                                 Si
Don't leave, don't leave, I want you to realize when I'm gone
Si             Lam                                  Si
My my, my my, you are the only thing I want to own

Mim                     Do7+              Re
There's sugar on your soul, you're like no one I know
           Si7
You're the life of another world
Mim                     Do7+              Re
You swallow me whole with just a mumbled hello
       Si7                                Lam
And it breaks my heart to love you, it breaks my heart to love you

Si

Don't leave, don't leave, when you're lost in the moment I am home
Si                 Lam                               Si
I tried, I tried to make you realize when I'm gone, gone, gone

Mim                     Do7+              Re
There's sugar on your soul, you're like no one I know
