Mim  Re Do  Sol/Si Lam  Sim  Do  Re
Lam7  Sol/Si Do  Re  Sol

     Re/Fa#   Mim             Re Do
When lights go down, I see no reason
    Sol/Si Lam   Sol/Si                 Do     Re
For you    to cry    We've been through this before
        Mim             Re Do
In every time, in every season,
    Sol/Si   Lam7      Sol/Si
God knows I've tried
               Do      Re
So please don't ask for more
          Do           Re
Can't you see it in my eyes
     Do           Lam7     Re    Do Re Sol
This might be our last goodbye
 Re/Fa# Mim   Re  Do   Re Mim
Ca---rrie,  Ca--rrie,
            Re
things they change my friend
 Re/Fa# Mim   Re  Do   Re Mim
Ca---rrie,  Ca--rrie,
            Re4 Re Lam7   Sol/Si
maybe we'll meet  again,
   Do      Sol
Somewhere again
  Re/Fa#    Mim             Re Do
I read your mind, with no intentions
   Sim7   Lam7 Sol/Si     Do      Re
Of being unkind, I wish I could explain
             Mim                Re Do
It all takes time, whole lot of patience
   Sim    Lam7  Sol/Si       Do      Re
If it's a crime,  how come I feel no pain
          Do           Re
Can't you see it in my eyes
     Do           Lam7     Re   Do Re Sol
This might be our last goodbye
 Re/Fa# Mim   Re  Do   Re Mim
Ca---rrie,  Ca--rrie,
            Re
things they change my friend
 Re/Fa# Mim   Re  Do   Re Mim
Ca---rrie,  Ca--rrie,
            Re4   Re     Do Re Mim
maybe we'll meet again,
Re Mim   Re/Fa# Sol   Do   Mim   Re
Mim  Re Mim  Re/Fa# Sol  Do   Mim   Re

This might be our last goodbye
 Re/Fa# Mim   Re  Do   Re Mim

Oh somewhere, again
