Europe - *Hero*

```
Reb
                Sibm
It's not like I wouldn't dream
   Fam  Solb      Reb
If you had not shown the way
     Lab         Sibm
It's not like I wouldn't fight
Fam  Mib
Not knowing 'bout your life
                Sibm
It's not like I wouldn't stand
Fam   Solb     Reb             Lab
Right here with my friends
Mibm Reb/Fa     Solb
You threw us all alive
Reb       Lab
When our days slipped away
Mibm Reb/Fa    Solb
You gave us of your time
Lab
'Cause you are
   Reb
my hero
          Lab
My Friday night
               Sibm              Solb
You wrote the soundtrack to my life
            Reb
And gave me something
           Lab
To hold on to
           Sibm     Lab
When i was growing up
             Solb
You were the rock
      Reb
In my life
                Sibm
It's not like I live my days
Fam  Solb   Reb
By every word you spoke
Lab          Sibm
Like I'm up every night
Fam    Mib
Drinking with your ghost
                Sibm
It's not like I can't look back
Fam  Solb    Reb
Without movin' on
Mibm Reb/Fa     Solb
You threw us all alive
Reb       Lab
When our days slipped away
Mibm Reb/Fa    Solb
You gave us of your time
Lab
You are
   Reb
my hero
          Lab
My Friday night
               Sibm              Solb
You wrote the soundtrack to my life
            Reb
And gave me something
