Sim  Re  Mim  La
Sim  Re  Mim  La

Sim                      Re/La
Days filled with joy and days filled with sorrow
Mim               La
 I don't know just what to do
     Sim               Re/La
Am I happy today, am I lonely tomorrow
Mim             La
  Everything depends on you
          Sol    Mim      Re        La/Do#     Sim
I've been waiting for the angels to knock on my door
          Sol   Mim        Re                    La
I've been hopin' that everything could be like before

Sim                 Re
Open your heart and tell me what's wrong
Mim                          La
 Why can't you talk like you used to do before
Sim                          Re
 I don't know if I'm weak, I don't know if I'm strong
