```
Lam     Lam9              La4   Lam
 I want to learn how to fly
  Sol          Fa
I want to be respected
Sol/Fa                 Fa6
 I want to get lucky
I want to get out of this dump
               Fa
I just want to watch TV
  Rem
I want to be loved
             Rem9
I want to be different
                     Re4
I want a brother and sister
                       Rem
I'd just rather be forgotten
                   Lam9
I want to save the world
I want to be understood
Lam
 I want to be rich
La4                            Sol
Man, I just want to be somebody

 Julie's got the word today
    Do                Lam      Sol
She lost her job just one last pay
Do               Fa/Do      Do    Lam Sol
 Life don't come easy anymore
      Do              Fa/Do
Still strugglin'on by herself
      Do
Got a picture of Jimmy
      Lam       Sol Do
There on the shelf
                          Fa/Do
And she looks at him and says
                  Do    Mim/Si
Why did we let it go
Lam                    Mim
 I know that sometimes baby
               Fa     Do          Mim/Si
We didn't see things eye-to-eye
    Lam            Mim
But I got just one question
       Fa              Sol
Did we have to say goodbye
          Do           Fa/Do
Just like prisoners in paradise
      Do                Fa/Do
Still far from heaven's door
Do        Sol/Si  Lam
We had it all but still we
Sol    Fa    Rem  Sol
Wanted more
      Fa             Sol
Now I realize that I can't
               Lam      Sol
Turn back the future's here

   Fa
To stay but hey
   Do                    Sol
We're just children of tomorrow
        Fa Sol
Hangin' on
        Lam    Sol Fa   Do  Sol  Lam    Sol Fa   Sol
to yesterday...
Do             Fa/Do
 Jimmy still recalls the night
        Do
When he took his guitar
    Lam       Sol
And headed on out
Do           Fa/Do
 To find the big time
          Do        Lam  Sol
That was his dream
        Do
He gave up his past
    Fa/Do
And made it alright
            Do
But there's something missin'
       Lam     Sol
In his heart tonight
Do                  Fa/Do
 Sometimes what you want
                Do       Mim/Si
Ain't what you need
          Lam
He misses drivin' down
       Mim
To the lake at night
  Fa
Holdin' his baby
       Do           Mim/Si
In his arms so tight
Lam                      Mim
 Ain't it hard to find illusions
            Fa          Sol
When you're livin' in a memory
          Do           Fa/Do
Just like prisoners in paradise
   Do              Fa
So close but yet so far
      Do          Sol/Si
There will come a time
  Lam     Sol     Fa    Rem  Sol
No matter who you are
         Fa
When you ask yourself
       Sol
Was it right or wrong
    Lam   Sol   Fa
For me to turn away but hey
           Do            Sol
We're just children of tomorrow
