Europe - Superstitious

Fa                    Do              Rem
Keep on walkin' that road and I'll follow
Sib     Fa          Do           Rem
Keep on callin' my name I'll be there
         Fa             Solm7      Fa/La   Sib
And if a mirror should break it's easy to take
      Do4                        Do
Cause deep down I know that you care
             Rem      Rem7  Do/Re
I´m not superstitious
Rem   Sol/Re Rem7    Rem   Rem7 Do/Re
Rem Do Rem
             Rem     Rem7 Do/Re           Sol/Re
I'm not superstitious,     I have no doubt
Rem7           Rem    Rem7 Do/Re            Rem
That there's a reason,      how things turn out
                        Rem7 Do/Re           Sol/Re
While things are changin'    from day to day
Rem7           Rem    Rem7 Do/Re           Rem
I'll keep this feelin'     with me all the way
      Solm
And I want you to know
     Fa           Do
That you're on my mind
Solm       Sib        Do
Every day, all of the time
           Fa           Do/Mi           Rem   Sib
So keep on walkin' that road and I'll follow
        Fa          Do/Mi          Rem  Sib
Keep on callin' my name I'll be there
         Fa             Solm7      Fa/La   Sib
And if a mirror should break it's easy to take
      Do4                        Do
Cause deep down I know that you care
             Rem      Rem7 Do/Re
I'm not superstitious
Rem  Sol/Re Rem7   Rem   Rem7 Do/Re
Rem Do Rem
                        Rem   Rem7 Do/Re
There might be times of wonder
               Rem  Sol/Re
When I'm on my own
Rem7      Rem    Rem7 Do/Re       Rem
Tryin' to find out    if love has gone
                          Rem7
It might make a difference
   Do/Re          Rem   Sol/Re
It might bring me down
    Rem7    Rem     Rem7
But no superstition
   Do/Re        Rem
is gonna turn things around
      Solm
And I want you to know
     Fa           Do
That you're on my mind
Solm       Sib        Do
Every day, all of the time
           Fa           Do/Mi           Rem   Sib
So keep on walkin' that road and I'll follow
        Fa          Do/Mi          Rem  Sib
Keep on callin' my name I'll be there
         Fa             Solm7      Fa/La   Sib
And if a mirror should break it's easy to take

And if a mirror should break it's easy to take

Cause deep down I know that you care

So keep on walkin' that road and I'll follow
