     If you don't like what you see here
    Dosus     Do          Do5  Do4
 Nobody wants to take you prisoner
Do5  Do4                                     Do5  Do4
    So, let me make it nice and clear, dear
    Dosus Do    Do5   Do4
The exit is right there
Do5 Do4                              Do5  Do4
     I don't mean to be rude, dude
          Dosus    Do          Do5   Do4
But you'd better change your attitude (I don't like what I see here)

Get the funk out

Hey Patrick!
Not bad, for a pasty-faced white boy!

Do5 Do4                            Do5  Do4
    You can't please everybody
         Dosus    Do      Do5   Do4
But everybody cannot please me (I don't like what I see here)
Do5 Do4                            Do5  Do4
  That's why I do what I want to
           Dosus   Do                Do5   Do4
So why don't you do. Do it to too, do it to me, hey

Do5 Do4                                    Do5  Do4
     If you don't like what you see here
    Dosus     Do          Do5  Do4
 you can always leave the country (I don't like what I see here)
