```
Do                      Fa
Home grown alligator, see you later
              Lam                   Sol
Gotta hit the road, gotta hit the road
    Do
Something changed in the atmosphere,
Fa
Architecture unfamiliar,
Lam                         Sol
I could get used to this

Do                     Fa
Time flies by in the yellow and green,
      Lam                              Sol
stick around and you'll see what I mean.
          Do                   Fa
There's a mountain top, that I'm dreaming of,
       Lam                         Sol
If you need me, you know where I'll be.

                Do
I'll be riding shotgun,
                Fa
Underneath the hot sun,
                Lam          Sol
Feeling like a someone.
                Do
I'll be riding shotgun,
                Fa
Underneath the hot sun,
                Lam         Sol
Feeling like a someone.

     Do                     Fa
The south of the equator, navigator,
               Lam                   Sol
Gotta hit the road, gotta hit the road.
Do
Deep-sea diving round the clock,
Fa
Bikini bottoms, lager tops
Lam                          Sol
I could get used to this

Do                     Fa
Time flies by in the yellow and green,
      Lam                              Sol
stick around and you'll see what I mean.
          Do                   Fa

       Lam                         Sol
If you need me, you know where I'll be.

                Do
I'll be riding shotgun,
                Fa
Underneath the hot sun,
                Lam          Sol
Feeling like a someone.
                Do
I'll be riding shotgun,
                Fa
Underneath the hot sun,
```

```
                Lam         Sol
Feeling like a someone.

       Do                 Fa

Lam                     Sol
Sailing along and we don't look back.

I'll be riding shotgun,
                Fa
Underneath the hot sun,
                Lam          Sol
