Roberta Flack - The first time ever I saw your face

```
Do x2
Rem  Sol

    Rem          Sol         Do
The first time...ever I saw your face,
Lam7                    Mim7       Fa
I thought the sun rose...in your eyes.
Do                       Sol          Do
 And the moon and stars...were the gifts you gave,
        Sib                    Do
To the dark...and the endless sky, my love.

        Rem          Sol         Do
And the first time...ever I kissed your mouth,
Lam7                   Mim7          Fa
I felt the earth move...through my hands.
Do                          Sol              Do
 Like the trembling heart...of a captive bird
     Sib                Do
That was there...at my command, my love

        Rem          Sol         Do
And the first time...ever I laid with you,
Lam7               Mim7           Fa
I felt your heart...so close to mine.
      Do            Sol       Do
And I know our joy...would fill the earth,
    Sib                      Do
And last...till the end of time, my love.

Rem    Rem          Do      Sol  Sol7
The first time...ever I saw...your...face.
Do             Rem     Mim7/Sib
your...face.  Your...face.
Do
Your...face
