Repeat it ft Ed Sheeran - Martin Garrix

```
Solm7    Fa4    Mib9       Fa6/9

Solm7 Fa4     Sib9/Re Mib9
 Stay for the night
        Fa6/9    Solm7
Call it what you want
         Fa4   Sib9/Re Mib9
And I'll compromise
            Fa6/9 Solm7
To have you in my arms
        Fa4      Sib9/Re Mib9
Is this what you needed
                     Fa6/9     Solm7
'Cause I'll find the faith in anything
      Fa4       Sib9/Re Mib9
Don't fight the feeling
          Fa6/9
Rewind, repeat it

Solm7   Fa4          Mib9
 If the world ends tonight
          Fa    Solm7
You'll be in my arms
         Fa4       Mib9
We'll be frozen in time
     Fa        Solm7
Underneath the stars
   Fa4                Mib9
My lungs are screaming
               Fa      Solm7
This heart is bleeding

Oh, I love this feeling

So rewind, repeat it

Solm7    Fa  Sib9/Re  Mib9

Fa  Solm7    Fa  Sib9/Re  Mib9

              Fa      Solm7
So rewind, repeat it

     Fa4   Sib9/Re Mib9
Just close your   eyes
        Fa9  Solm7
All you need to see
        Fa4   Sib9/Re Mib9
Is your heart and    mine
     Fa9    Solm7
Underneath the sheets
          Fa4        Sib9/Re Mib9
And don't fight your demons
                           Fa9        Solm7
'Cause they will tear you apart from the seams
       Fa4      Sib9/Re Mib9
And if darkness creeps in
          Fa9
Rewind, repeat it

Solm7   Fa4          Mib9
 If the world ends tonight
          Fa    Solm7
You'll be in my arms
