There for you ft Troye Sivan - Martin Garrix

```
Re    Sim7    Fa#m    Mi

Re9                     Sim7
I woke up pissed off today
    Fa#m                       Mi
And lately everyone feels fake
    Re9                    Sim7
Somewhere, I lost a piece of me
        Fa#m                  Mi
Smoking cigarettes on balconies
      Re9
But I can't do this alone
          Sim7
Sometimes I just need a light
     Fa#m
If I call you on the phone

Need you on the other side

             Re9
So when your tears roll down
     Sim7
your pillow like a river
        Fa#m
I'll be there for you
        Mi4
I'll be there for you
            Re9
When you're screaming,
         Sim7
but they only hear you whisper
        Fa#m
I'll be loud for you

But you gotta be there for me too...

Re7+    Sim9    Fa#m    Mi4

Re7+    Sim9    Fa#m    Mi4

                                  Re7+
But you gotta be there for me too

Re9                       Sim7
Last year took a toll on me
      Fa#m                         Mi
But I made it with you next to me
 Re9                      Sim7
Around the world and back again
  Fa#m                           Mi
I hope you're waiting at the end
      Re9
But I can't do this alone
          Sim7
Sometimes I just need a light
     Fa#m
If I call you on the phone

Need you on the other side

             Re9
So when your tears roll down
     Sim7
your pillow like a river
```

```
        Fa#m
I'll be there for you
        Mi4
I'll be there for you
            Re9
When you're screaming,
         Sim7
but they only hear you whisper
        Fa#m
I'll be loud for you
        Mi4
I'll be loud for you
Re9
 I got you, I promise
Sim7
 But let me be honest
Fa#m                              Mi4
 Love is a road that goes both ways
          Re9
When your tears roll down
     Sim7
your pillow like a river
        Fa#m
I'll be there for you
But you gotta be there for me too...

Re7+    Sim9    Fa#m    Mi4

Re7+    Sim9    Fa#m    Mi4

                                  Re7+
But you gotta be there for me too
                       Sim7
Boy, I'm holdin' onto something
                         Fa#m
Won't let go of you for nothing
                       Mi                          Re9
I'm runnin', runnin' just to keep my hands on you
                              Sim7
There was a time that I was so blue
                     Fa#m
What I got to do to show you?
                       Mi                          Re9
I'm runnin', runnin' just to keep my hands on you
                  Sim7                      Fa#m
Runnin', runnin' just to keep my hands on you
                  Mi                        Re7+
Runnin', runnin' just to keep my hands on you

Said, I'm runnin', runnin'
Sim7                      Fa#m
just to keep my hands on you

But you gotta be there for me too...

Re7+    Sim9    Fa#m    Mi4

Re7+    Sim9    Fa#m    Mi4

                                  Re9
But you gotta be there for me too
```
