

Slow dance for a minute - Giant Rooks

Sol#m

Si Mi
 One last time take me dancing
 Si Sol#m
 Hold me close in the dark and
 Si Mi
 I'll write your name in the pale light
 Si
 We gotta go and leave the city
 Sol#m
 When the dawn bites
 Si mi 7 Mi
 I wanna be the water falling from your skin
 Si Fa# Sol#m
 The oxygen you keep on breathing in
 Si Mi
 All our fears and our sadness
 Si
 We just let go
 Fa# Sol#m
 We're blowing out our voices
 Si
 To our favorite song
 Mi
 The night is growing late
 Si
 But we're holding on
 Fa# Sol#m
 And now we're moving closer
 Si
 Closer to the end
 Mi
 Turn the music loud
 Si
 And take my hand
 Mi Si
 Darling take my hand
 Fa#
 Why don't we just
 Sol#m
 Slow dance for a minute
 Fa# Mi Si
 We can change our plan
 Fa#
 And start over again
 Sol#m Re#7 Sol#m
 And start over again
 Si Mi
 Scarlet skies on the way home
 Si Sol#m
 "Life on mars?" on my headphones
 Si Mi
 I might have said we're better off alone, but
 Si Fa# Sol#m
 You don't know, you don't know, you don't know that
 Si Mi
 I wanna be the fire drawn into your lungs
 Si Fa# Sol#m
 The amber ring you're rolling 'round your tongue
 Si Mi Si
 All our fears and our sadness, they'll all be gone
 Fa# Sol#m

Fa# Sol#m
 We're blowing out our voices
 Si
 To our favorite song
 Mi
 The night is growing late
 Si
 But we're holding on
 Fa# Sol#m
 And now we're moving closer
 Si
 Closer to the end
 Mi
 Turn the music loud
 Si
 And take my hand
 Mi Fa# Si
 Darling take my hand
 Fa#
 Why don't we just
 Sol#m
 Slow dance for a minute
 Mi Fa# Sol#m
 We can change our plan
 Fa#
 And start over again
 Re#
 And start over again
 Sol#m Si Mi Si
 And just pretend
