

Still Breathing - Green Day

Do

Do

I'm like a child looking off on the horizon

Sol

I'm like an ambulance that's turning on the sirens

Lam Sol Fa

Oh, I'm still alive

Do

I'm like a soldier coming home for the first time

Sol

I dodged a bullet and I walked across a landmine

Lam Sol Fa

Oh, I'm still alive

Do

Sol

Am I bleeding? Am I bleeding from the storm?

Lam

Fa

Just shine a light into the wreckage, so far away, away

Do

Sol/Si

Cause I'm still breathing

Lam

Sol

Cause I'm still breathing on my own

Fa

My head's above the rain and roses

Sol

Making my way, away

Do

Sol/Si

Cause I'm still breathing

Lam

Sol

Cause I'm still breathing on my own

Fa

My head's above the rain and roses

Sol

Making my way, away

Do

My way to you

Do

I'm like a junkie tying off for the last time

Sol

I'm like a loser that's betting on his last dime

Lam Sol Fa

Oh, I'm still alive

Do

I'm like a son that was raised without a father

Sol

I'm like a mother barely keeping it together

Lam Sol Fa

Oh, I'm still alive

Do

Sol

Am I bleeding? Am I bleeding from the storm?

Lam

Fa

Just shine a light into the wreckage, so far away, away

Do

Sol/Si

Cause I'm still breathing
Lam Sol
Cause I'm still breathing on my own
Fa
My head's above the rain and roses
Sol
Making my way, away
Do Sol/Si
Cause I'm still breathing
Lam Sol
Cause I'm still breathing on my own
Fa
My head's above the rain and roses
Sol
Making my way, away
away

Lam Sol Fa Do
As I walked out on the ledge
Lam Sol Fa Do
Are you scared to death to live?
Lam Sol Fa Do
I've been running all my life
Lam Sol
Just to find a home that's for the restless
Fa
And the truth that's in the message
Sol
Making my way, away, away

Cause I'm still breathing
Do Sol/Si

Cause I'm still breathing on my own
Lam Sol

My head's above the rain and roses
Fa

Making my way, away
Sol

Cause I'm still breathing
Do Sol/Si

Cause I'm still breathing on my own
Lam Sol

My head's above the rain and roses
Fa

Making my way, away
Sol

Cause I'm still breathing
Do Sol/Si

Cause I'm still breathing on my own
Lam Sol

My head's above the rain and roses
Fa

Making my way, away
Sol

My way to you
Do
