

November rain - Guns'n'roses

Fa Rem Do (x2)

Fa Rem Do
When I look into your eyes I can see the love restrained
Fa Rem Do
But darlin' when I hold you don't you know I feel the same
Rem Sol Do
Nothin' lasts forever and we both know hearts can change
Rem Sol Do
And it's hard to hold a candle in the cold November rain

Fa Rem
We've been through this such a long long time
Do
just tryin' to kill the pain
Fa
But lovers always come and lovers always go and
Rem Do
no one's really sure who's lettin' go today
Fa
If we could take time to lay it on the line I could
Rem Do
rest my head just knowin' that you were the mine

Rem Sol Do
So if you want to love me then darlin' don't refrain
Rem Sol Do
Or I'll just end up walking in the cold November rain
Fa Sol
Do you need some time on your own
Fa Sol
Do you need some time all alone
Fa Sol
Ooh everybody needs some time on their own
Fa Sol
Ooh, don't you know you need some time all alone

Mim Fa Do
I know it's hard to keep an open heart
Mim Fa Rem
When even friends seem out to harm you
Mim Fa Do
But if you could heal a broken heart
Mim Fa Sol
Wouldn't time be out to charm you

Fa Rem Do (x2)
Rem Sol Do (x2)

Fa Sol
Sometimes I need some time on my own
Fa Sol
Some times I need some time all alone

Fa Sol
Ooh everybody needs some time on their own
 Fa Sol
Ooh don't you know you need some time all alone

Fa Rem Do (x2)

Fa Rem Do
And when your fears subside and shadows still remain
Fa Rem Do
I know that you can love me when there's no one left to blame
Rem Sol Do
So never mind the darkness we still can find a way
Rem Sol Do Mim7
Nothin' lasts forever even cold November rain
