Do Sol La Re
Do Sol La Re
Do Sol Do Mim
Do Sol Re

Do
Shed a tear cause I'm missing you
Sol
I'm still alright to smile
La Re
Girl I think about you every day now

Do
Was a time when I wasn't sure
Sol
But you set my mind at ease
La Re
There is no doubt, you're in my heart now

Do Sol
Sad woman take it slow
Do Mim
It will work itself out fine
Do Sol Re
All we need is just a little patience

Do Sol
Sad sugar make it slow and
Do Mim
It comes together fine
Do Sol Re
All we need is just a little patience

Do
Sit here on the stairs
Sol
Cause I'd rather be alone
La
If I can't have you right now
Re
I'll wait dear
Do
Sometimes I get so candescent
Sol
But I can't speed up the time
La
You know love, there's one more thing
Re
To consider

Do Sol
Sad woman take it slow
Do Mim
And things will be just fine
Do Sol Re
You and I just use a little patience

Do Sol
Sad sugar take the time
Do Mim
Cause the lights are shining bright
Do Sol Re
You and I got what it takes to make it
We don't fake it
Ahh and never break it
Cause I can't take it
