Jack Harlow - Whats Poppin

```
Mim
 What's poppin'? (Pooh, you a fool for this one)
                       Do       Mim
Brand new whip, just hopped in (ay, just hopped in)

I got options (oh Lord, Jetson made another one)
                                 Do
I could pass that bitch like Stockton
 Mim
(it ain't nothin')

Just joshin'
                           Do        Mim
I'ma spend this holiday locked in

My body got rid of them toxins (mmh, mmh)
               Do     Mim
SportsCenter, top ten

I could put the ball in the end zone
                                        Do  Mim
Put a bad bitch in the friendzone, ooh

This shit sound like an intro
                                Do   Mim
Jetson, give me that tempo, ooh (give me)

Told Pooh he a fool with this shit (he a fool)
                           Do            Mim
Told her don't let her friends know (don't)

In the 'Ville and I move like a don (don)
                           Do     Mim
Eating fettuccine at Vincenzo's

Me and my 'migos got that free smoke
             Do
On the West Coast, yeah,
    Mim
I'm talking 'bout pre-rolls (pre-rolls)
                                         Do   Mim
Dark haired bitch and she look like Shego (she do)

Hometown hero, feeling myself,
                  Do Mim
can't murder my ego (he do it)

She heard of my deep stroke

She said,
                               Do           Mim
"Babe, does it hurt when I deep throat?" (It does)

Certified freak hoe
                                        Do   Mim
Hang around us and she learnin' my lingo
Back then, wasn't worried 'bout me though
                                Do        Mim
In the gym tryna work on my free throw
Goddamn (goddamn)
                                   Do   Mim
Spending money at the club like Sam's (cha-ching)
Yes, ma'am
                      Do   Mim
She a lil' freak on cam (facts)
```

But she don't put this on the 'Gram (nah)
                              Do   Mim
Lil' boys tryna diss on the 'Gram (ayy)

Ayy, I can't switch on the fam (bitch)
                                    Do   Mim
Shit's hot, hit the switch on the fan (fan)

This where my head is (listen)
                                 Do
I feel resentment from every direction
Mim
Even some homies be wearing expressions
                                  Do   Mim
I be discouraged from sharing my blessings (damn)

We used to share a connection
                                             Do
Now it just feels like it's wearing and stretching
Mim
I'm getting real sick of taking advice
                                             Do
From people that never could stare at reflections
Mim
 Somewhere in there is a lesson
                                    Do
Y'all ain't evolvin', it's very depressing
Mim
I'm at the club with the basketball team
                                     Do   Mim
Me and the Cardinals are sharing a section (facts)

Gotta cherish the present
                                    Do
I'm drinking water and wearing protection
Mim
Got a career and I'm very invested
                                 Do
Some people call it a scary obsession
 Mim
(ooh, scary obsession, but)

I like to call it a passion
Do   Mim
I can't be sitting relaxin' (nah, I can't)

PG, we getting some traction
Do   Mim
I'm at the venue, it's packed in (packed out)

I'm digging her accent
Do   Mim
I got a B.B. Simon belt on me
                                   Do Mim
and she tryna get it unfastened

That's my type of distraction
                                             Do Mim
That's my type, and she's Latin (that's fit)

Got my own flow, and I'm 'bout to get a patent

Brand-new sheets for the bed,
     Do   Mim
they satin (soft, real soft)

```
                                  Do
Y'all wasn't tuned in back then
Mim
My swag, they keep jackin' (keep on jackin')

I ain't doin' no verse,

quit askin' (verse, quit askin')

What's poppin'? (Pooh, you a fool for this one)
                       Do          Mim
Brand new whip, just hopped in (ay, just hopped in)

I got options
                               Do
I could pass that bitch like Stockton
 Mim
(it ain't nothin')

Just joshin'
                          Do        Mim
