La Re
You could never know what it's like
Mi La
Your blood, like winter, freezes just like ice
Fa#m Re Mi
And there's a cold, lonely light that shines from you
Fa#m Re La
You'll wind up like the wreck you hide behind that mask you use

And did you think this fool could never win?
Mi La
Well, look at me, I'm a-coming back again
Fa#m Re Mi
I got a taste of love in a simple way
Fa#m Re
And if you need to know while I'm still standing
La
You just fade away

Lam Mim
Don't you know I'm still standing better than I ever did?
Rem Fa Sol
Looking like a true survivor, feeling like a little kid
Lam Mim
And I'm still standing after all this time
Rem Mi
Picking up the pieces of my life without you on my mind
Lam Rem Mi
I'm still standing (yeah, yeah, yeah)
Lam Rem Mi
I'm still standing (yeah, yeah, yeah)

You starting down the road, leaving me again
Fa#m Re Mi
The threats you made were meant to cut me down
Fa#m Re La
And if our love was just a circus, you'd be a clown by now
