

Still - Karol G feat. Bruno Mars

Capotasto al 3° tasto

Do Lam
Don't think I've ever felt like this
Rem Sol
Don't think I've ever wanted someone like I want you
Do Lam
My mind goes quiet in your bed
Rem Sol
But I can't help picturing what it'd be like without you
Mim Lam
I hope it's all just in my head
Rem Sol
But, baby if you ever left

Do Lam
I'd still sleep in your sweater, still feel you in the dark
Rem Sol
I'd still keep all your letters, I won't tear them apart
Mim La7
I'd still hope you were happy, even though it may hurt
Rem Sol Do
'Cause I'd still love you even with a broken heart
Lam Rem Sol
Even with a broken heart

Do Lam
Mm, come lay your head down, my angel
Rem Sol
Don't let your mind go places that it doesn't need to
Do Lam
You've all I want, all I pray for
Rem Sol
Oh, and I'd do whatever, girl, forever just to please you
Mim7 Lam
Oh, that feel for you won't ever change
Rem
And I know you feel the same
Sol
You tell me, baby, if you ever walk away

Do Lam
I'd still sleep in your sweater, still feel you in the dark
Rem Sol
I'd still keep all your letters, I won't tear them apart
Mim La7
I'd still hope you were happy, even though it may hurt
Rem Sol Do
'Cause I'd still love you even with a broken heart
Lam Rem Sol
Even with a broken heart

Do Lam
Mm, please don't ever leave me, stay right where you are
Rem Sol
But if you were to go, you know you'd be my favorite scar
Do Lam
Please don't ever leave me, stay right where you are
Rem Sol
But if you were to go, you know you'd be my favorite scar

Do Lam
I'd still sleep in your sweater, still feel you in the dark

Rem Sol
I'd still keep all your letters, I won't tear them apart
Mim La7
I'd still hope you were happy, even though it may hurt
Rem Sol Do
'Cause I'd still love you even with a broken heart
Lam Rem Sol
Even with a broken heart

Do
I'd still love you
