One...take control of me?
You're messing with the enemy
Said its 2..it's another trick
Resus2
Messin with my mind, I wake up
Lam
Chase down an empty street
Blindly snap the broken beats
Said it's cut with a dirty trick
Resus2
Its taken all these days to find ya

Lam
I tell you I want you
Resus2
I tell you I need you

Lam
Friends, take control of me
Stalking cross' the gallery
All these pills got to operate
Resus2
The colour quits and all invade us
Lam
There he goes again
Take me to the edge again
All I got is a dirty trick
Resus2
I'm chasin down the wolves to save ya

Lam
I tell you I want you
Resus2
I'll tell you I need you
Lam
I... the blood aint on my face
Resus2
Just wanted you near me

Lam
I tell you I want you
Resus2
I'll tell you I need you
Lam
The blood aint on my hands
Resus2
Just wanted you near me

Lam
I tell you I want you
Resus2
I'll tell you I need you
Lam
The blood aint on my hands
Resus2
Just wanted you near me
