Kasabian - Cutt off

```
Do  Mib  Re  Fa  (2x)

Do          Mib                 Re           Fa
John was a scientist, he was hooked on lsd
Do             Mib                        Re               Fa
Interested in mind control and how the monkey held the key
          Do             Mib                    Re                 Fa
Said that all life is experiments somebody's planning for the heir
             Do           Mib              Re           Fa     N.C.
It's for the unexpecting citizens who hallucinate in fear, sing that

Do     Mib          Re     Fa
Laaa, la la la la Laaa, la la la la la
Do                  Mib              Re                       Fa
Chew the backbone, A solar system, these clever convicts
Do     Mib          Re     Fa
Laaa, la la la la Laaa, la la la la la
Do                  Mib              Re                       Fa
Chew the backbone, A solar system, these clever convicts

Do        Mib              Re              Fa
In union station, with a package in his hand
Do           Mib          Re                    Fa
Tied to the suspect, he chanced him where he stand
    Do                 Mib           Re               Fa
And I don't think you realise he's coming for your neck
        Do                 Mib               Re                Fa
And the sound is breaking all around, he's keeping lives in check

Do7 (1 bar)

Do     Mib          Re     Fa
Laaa, la la la la Laaa, la la la la la
Do                  Mib              Re                       Fa
Chew the backbone, A solar system, these clever convicts
Do     Mib          Re     Fa
Laaa, la la la la Laaa, la la la la la
Do                  Mib              Re                       Fa
Chew the backbone, A solar system, these clever convicts

N.C. (1 bar)

Do          Mib              Re           Fa
Making his getaway threw a punched out mirror
Do                 Mib     Re               Fa
He blend into the crowd, hear the system scream
    Do                    Mib                   Re                  Fa
And all those spies that strikes you here are clinging to their guns
    Do                 Mib            Re               Fa
And if you smell those almonds man, I think you better run... Checkout!
