Sol Sol Do Re

Sol

Doomed from the start,

Do

We met with a goodbye kiss

Doadd9 Do Mim Sol

I broke my wrist,

Sol

It all kicked off, I had no choice,

Do

Doadd9 Do Mim Sol

Cause love's hard to find.

Lam

La La La La

Fa

Maybe the days we had are gone,

Lam

Living in silence for too long,

Fa

Open your eyes and what do you see,

Re

No more laughs,

Rem

No more photographs.

Sol

Turning slowly,

Mim

Looking back, see,

Do

No words can save this,

Re

You're broken and I'm pissed,

Sol

Run along like I'm supposed to,

Mim

Be the man I ought to,

Do

Rock and Roll sent us insane,

Re

Sol

I hope someday that we will meet again.

Sol

Running wild, (We never meant to be happy)

Do

Giving it everyone,

Do9 Do Mim Sol

Now that's all done,

Sol

Cause we burnt out (We burnt out)

that's what you do, (You haven't got much to give now)

Do

When you have everything,

Do9 Do Mim Sol

It can't be true.

Lam

La La La La

Fa
