Kasabian - Where did all the love go

```
Sol#m

Sol#m
Ever took a punch in the ribcage sonny?
Sol#m
Ever met a soul who had no shrine?
Fa#                    Do#                          Sol#m
Keep this all in your mind and get it inside my window
Sol#m
What do we become trying to kill each other?
Sol#m
You're faking it son gonna get you tonight
Fa#                            Do#                  Sol#m
I suck another breath to the hearts of the Revolution
Sol#m
Cause you still ain't right

Sol#m   Si           Sol#m      Si
Where did all the love go?
  Mi          Do#m  Mi                            Sol
I don't know, I don't know (I bet you can't see it)
Sol#m   Si           Sol#m      Si
Where did all the love go?
  Mi          Do#m  Mi                            Sol
I don't know, I don't know (I bet you can't see it)

Sol#m Si Sibm Do#

Sol#m
Gotta see the signs of a real change a comin'
Sol#m
Take another sip from your hobo's wine
Fa#                      Do#                        Sol#m
Get yourself a million miles from the concrete jungle
Sol#m
This is a time full of fear full of anger
Sol#m
A heroes exchange for a telephone line
Fa#                      Do#                        Sol#m
Whatever happened to the youth of this generation?
Sol#m
But you still ain't right

Sol#m   Si           Sol#m      Si
Where did all the love go?
  Mi          Do#m  Mi                            Sol
I don't know, I don't know (I bet you can't see it)
Sol#m   Si           Sol#m      Si
Where did all the love go?
Si           Mi          Do#m  Mi       Sol
Now I don't know why, oh why
Sol#m   Si           Sol#m      Si
Where did all the love go?
  Mi          Do#m  Mi                            Sol
I don't know, I don't know (I bet you can't see it)
Sol#m   Si           Sol#m      Si
Where did all the love go?
Si           Mi          Do#m  Mi       Sol
Now I don't know why, oh why

Sol#m                  Fa#
The rivers of the pavement
Mi                     Do#m
Are flowing now with blood
