

Love me now - John Legend

Capo al primo tasto

Mim Do Re Sim

Mim Do Re Sim
Pulling me further, further than I've been before

Mim Do Re Sim
Making me stronger, shaking me right to the core, oh

Mim Do
Oh, I don't know what's in the stars

Re Sim
Never heard it from above, the world isn't ours

Mim Do Re Sim
But I know what's in my heart, if you ain't mine I'll be torn apart

Do7+ Sol
I don't know who's gonna kiss you when I'm gone

Re Mim
So I'm gonna love you now, like it's all I have

Do7+ Sol
I know it'll kill me when it's over

Re
I don't wanna think about it, I want you to love me now

Do7+ Sol
I don't know who's gonna kiss you when I'm gone

Re Mim
So I'm gonna love you now, like it's all I have

Do7+ Sol
I know it'll kill me when it's over

Re
I don't wanna think about it, I want you to love me now

Do7+ Sol
Love me now, love me now

Re Mim
Oh, oh, love me now, oh, oh, oh, yeah

Do7+ Sol
Love me now, love me now

Re
Oh, I want you to love me now

Mim Do
Something inside us knows there's

Re Sim
nothing guaranteed, yeah

Mim Do
Yeah, girl I don't need you to tell me

Re Sim
that you'll never leave, no

Mim Do
When we've done all that we could to turn

Re Sim
darkness into light, turn evil to good

Mim Do Re
Even when we try so hard for that perfect kind of love

Sim
it could all fall apart

Do7+ Sol
And who's gonna kiss you when I'm gone

Re Mim
So I'm gonna love you now, like it's all I have

Do7+ Sol
And I know it'll kill me when it's over

Re
I don't wanna think about it, I want you to love me now

Do7+ Sol
Love me now, love me now
Re Mim
