

Redemption song - Bob Marley

Sol Do Re Sol Do Sol (x2)

Sol Mim
Old pirates, yes, they rob us;
Do Sim Lam
Sold I to the merchant ships,
Sol Mim
Minutes after they took I
Do Sim Lam
From the bottomless pit.
Sol Mim
But my hand was made strong
Do Sim Lam
By the hand of the almighty.
Sol Mim
We forward in this generation
Do Re
Triumphantly.

Re Sol
Won't you help to sing
Do Re Sol
These songs of freedom?
Do Re Mim
'cause all I ever had:
Do Re Sol
Redemption songs;
Do Re Sol Do Re
Redemption songs.

Sol Mim
Emancipate yourselves from mental slavery;
Do Sim Lam
None but ourselves can free our minds.
Sol Mim
Have no fear for atomic energy,
Do Sim Re
'cause none of them can stop the time.
Sol Mim
How long shall they kill our prophets,
Do Sim Lam
While we stand aside and look? ooh!
Sol Mim
Some say it's just a part of it:
Do Re
We've got to fulfil the book.

Re Sol
Won't you help to sing
Do Re Sol
These songs of freedom?
Do Re Mim
'cause all I ever had:
Do Re Sol
Redemption songs;

Do Re Sol
Redemption songs;
Do Re Sol Do Re
Redemption songs.

Mim Do Re (x4)

None but ourselves can free our mind.

How long shall they kill our prophets,
Do Sim Lam
While we stand aside and look?
Sol Mim
Yes, some say it's just a part of it:
Do Re
We've got to fulfil the book.

Won't you help to sing

These songs of freedom?
Do Re Mim
'cause all I ever had:
