

## It will rain - Bruno Mars

**Re** **Fa#m**  
If you ever leave me baby,  
**Re** **Fa#m**  
Leave some morphine at my door  
**Mim** **Si**  
'Cause it would take a whole lot of medication  
**Mi** **La**  
To realize what we used to have we don't have it anymore.  
**Re** **Fa#m**  
There's no religion that could save me  
**Re** **Fa#m**  
No matter how long my knees are on the floor  
**Mim** **Sim**  
So keep in mind all the sacrifices I'm makin'  
**Mim** **La**  
Will keep you by my side will keep you from walkin' out the door.  
**Sol** **La**  
Cause there'll be no sunlight  
**Re** **Sim** **Sol** **La**  
If I lose you baby there'll be no clear skies  
**Re** **Sim** **Sol** **La**  
If I lose you, baby just like the clouds  
**Fa#** **Sim** **Mim**  
My eyes will do the same, if you walk away  
**La** **Re Fa#m** **Re Fa#m**  
Everyday it will rain rain rain

**Re** **Fa#m**  
I'll never be your mother's favorite  
**Re** **Fa#m**  
Your daddy can't even look me in the eye  
**Mim** **Sim**  
Oooh if I was in their shoes, I'd be doing the same thing  
**Mim**  
Sayin there goes my little girl  
**La**  
Walkin' with that troublesome guy  
**Re** **Fa#m**  
But they're just afraid of something they can't understand  
**Re** **Fa#m**  
Oooh well little darlin' watch me change their minds  
**Mim** **Sim**  
Yeah for you I'll try I'll try I'll try I'll try  
**Mim**  
I'll pick up these broken pieces 'til I'm bleeding  
**La**  
If that'll make you mine  
**Sol** **La**  
Cause there'll be no sunlight  
**Re** **Sim** **Sol** **La**  
If I lose you, baby there'll be no clear skies  
**Re** **Sim** **Sol** **La**  
If I lose you, baby just like the clouds  
**Fa#** **Sim** **Mim**  
My eyes will do the same, if you walk away  
**La** **Re Fa#m** **Re Fa#m**  
Everyday it will rain rain rain

**Mi**                    **Fa#m**  
Don't just say, goodbye

**Mim**                    **Fa#m**  
Don't just say, goodbye

**Sol**  
I'll pick up these broken pieces 'til I'm bleeding

**La**  
If that'll make it right

**Sol**                    **La**  
Cause there'll be no sunlight

**Re**                    **Sim**                    **Sol**                    **La**  
If I lose you, baby there'll be no clear skies

**Re**                    **Sim**                    **Sol**                    **La**  
If I lose you, baby just like the clouds

**Fa#**                    **Sim**                    **Mim**  
My eyes will do the same, if you walk away

**La**                    **Re Fa#m**                    **Re Fa#m**  
Everyday it will rain rain rain
