

John Mayer - Edge of Desire

CAPO 2° TASTO

Sol Do9 Lam Re Sol

Sol

Young and full of running

Do9

Tell me where has that taken me?

Lam

Re

Sol

Just a great figure eight or a tiny infinity?

Sol

Love is really nothing

Do9

But a dream that keeps waking me

Lam

Re

Sol

For all of my trying, we still end up dying, how can it be?

Do9

Sol

Don't say a word, just come over and lie here with me

Do9

Sol

'Cause I'm just about to set fire to everything I see

Do9

Sol

I want you so bad, I'll go back on the things I believe

Do9

Sol

There I just said it, I'm scared you'll forget about me

Sol

So young and full of running

Do9

All the way to the edge of desire

Lam

Re

Sol

Steady my breathing, silently screaming, I have to have you now

Sol

Wired and I'm tired

Do9

Think I'll sleep in my clothes on the floor

Lam

Re

Sol

Or maybe this mattress will spin on its axis and find me on yours

Do9

Sol

Don't say a word, just come over and lie here with me

Do9

Sol

'Cause I'm just about to set fire to everything I see

Do9

I want you so bad, I'll go back on the things I believe
